

BA7A60040BL

Slotted panel trunking made of PVC BA7A 60x40mm blue

Technical Features

Dimensions

|            |         |
|------------|---------|
| Height     | 60 mm   |
| Width      | 40 mm   |
| Length     | 2000 mm |
| Slit width | 6 mm    |
| Slot width | 6.50 mm |

Equipment

|                            |     |
|----------------------------|-----|
| Cover in scope of delivery | Yes |
|----------------------------|-----|

Materials

|          |                         |
|----------|-------------------------|
| Material | Polyvinylchloride (PVC) |
|----------|-------------------------|

Functions

|                       |     |
|-----------------------|-----|
| Is self-extinguishing | Yes |
|-----------------------|-----|

Materials

|        |      |
|--------|------|
| Colour | Blue |
|--------|------|

Architecture

|          |    |
|----------|----|
| Flexible | No |
|----------|----|

Configuration

|           |         |
|-----------|---------|
| Side wall | Slotted |
|-----------|---------|

Sustainability

|                 |     |
|-----------------|-----|
| REACH-SVHC free | Yes |
| RoHS conform    | Yes |
