REU021X

Call push-button semi module 1/1 with LED name plate built-in 2-wire one

Technical Features

Dimensions

Dimensions	49 x 85 mm
Height	49 mm
Width	85 mm

Voltage

Operating voltage	24 - 24 V

Compatibility

Installation technique for door communication	2-wire

Controls and indicators

Closing time call button	3 s
Number of call buttons	1

Functions

Function	Ringing

Settings

Number of users	1

Use conditions

Operating temperature	-20 - 55 °C
Storage/transport temperature	-30 - 80 °C

Sustainability

RoHS conform	Yes
