

HXA004H

Shunt trip 200-240V AC (x160-P160-x250-P250-x630-P630)

Technical Features

Power

Inrush power absorbed	3.36 VA
-----------------------	---------

Safety

Ingress Protection (IP) class	IP4X
-------------------------------	------

Voltage

Command voltage AC	200 - 240 V
Command voltage DC	0 - 0 V
Rated operational voltage Ue	200 - 240 V
Rated operational voltage in DC	0 - 0 V

Sustainability

REACH-SVHC free	Yes
RoHS conform	Yes
