

HXF004H

Shunt trip Release h1600 200-240V AC

Technical Features

Power

Inrush power absorbed	3,36 VA
-----------------------	---------

Safety

Ingress Protection (IP) class	IP4X
-------------------------------	------

Voltage

Command voltage AC	220 - 240 V
Command voltage DC	0 - 0 V
Rated operational voltage Ue	220 - 240 V
Rated operational voltage in DC	0 - 0 V
