## **Product Datasheet**

TE370

ETS

TE370

## 3Ph Kwhmeter via CT with KNX output

## **Technical Features**

Settings	
Supported	configuration mode

Use conditions	
Operating temperature	-10 - 55 °C

Architecture	
Bus system	KNX
Type of pole	3P+N

Type of pole	01 114
Connectivity	
With bus system Powernet	No
Type of connection	Direct connection
Electric current	
Maximum measuring circuit current	5 A

Yes
Yes
