| Height                | 700 mm  |
| Width                 | 500 mm  |
| Depth                 | 250 mm  |
| Thickness of sidewall | 1.50 mm |

#### Safety

|                               |                              |
|-------------------------------|------------------------------|
| Ingress Protection (IP) class | IP65                         |
| Protection class              | Isolation class I            |
| Locking type                  | Special tool<br>Without lock |
| Impact resistance IK          | IK05                         |

#### Equipment

|                                 |   |
|---------------------------------|---|
| Number of flange plate openings | 1 |
|---------------------------------|---|

#### Installation, mounting

|                            |                  |
|----------------------------|------------------|
| Mounting on                | Surface mounting |
| Suitable for outdoor usage | Yes              |

#### Materials

|                |            |
|----------------|------------|
| Colour         | Light grey |
| RAL code       | 7035       |
| Treatment      | Varnished  |
| Material       | Steel      |
| Surface finish | Matt       |

#### Cover, door

|                           |    |
|---------------------------|----|
| Number of cabinet doors   | 1  |
| Number of locks           | 0  |
| Door/cover is transparent | No |

#### Sustainability

|                 |     |
|-----------------|-----|
| Halogen free    | Yes |
| REACH-SVHC free | Yes |
| RoHS conform    | Yes |
