

80960279

Cover for 1gang for push-button module, clearlens, K.1, p. white glossy

Technical Features

Architecture

Control/operation elementSingle rocker

Materials

ColourPolar white
RAL code9010
Surface finishGlossy
MaterialThermoplastic
TreatmentUntreated

Dimensions

Height55 mm
Width70 mm
Depth10 mm

Settings

Supported configuration modeETS
easy

Connectivity

With bus system KNX radioNo
Mounting typeClamp mounting

Equipment

Monitoring window/light outletYes

Accessories

Has labelling fieldNo

Safety

Ingress Protection (IP) classIP20

Use conditions

Operating temperature-5 - 45 °C

Texts

ImprintWithout imprint

Suitable for

K.x

Sustainability

REACH-SVHC freeYes
RoHS conformYes
