

REM201X

modular Frame 1/1 with housing wall-mounted stainless steel matt

Technical Features

Materials

Colour	Stainless steel
Surface finish	Matt
Material	Metal
	Stainless steel

Dimensions

Dimensions	180 x 170 mm
Height	180 mm
Width	170 mm
Depth	48 mm

Installation, mounting

Mounting on	Surface mounting
-------------	------------------

Safety

Impact resistance IK	IK07
Ingress Protection (IP) class	IP54

Equipment

Modular construction	Yes
----------------------	-----

Weight

Weight	1086 g
--------	--------

Texts

Protection	Dismantling protection by key for ESTA/MODESTA, surface-mounted
------------	---

Sustainability

RoHS conform	Yes
