

MZ521N

Surface mounting enclosure IP55 for motor starter

Technical Features

Safety

Ingress Protection (IP) class	IP55
-------------------------------	------

Dimensions

Width	80 mm
Height	158 mm
Depth	125 mm

Materials

Material	Polystyrene (PS)
----------	------------------

Electric current

Rated current	25 A
---------------	------

Use conditions

Operating temperature	-25 - 55 °C
-----------------------	-------------

Sustainability

REACH-SVHC free	Yes
RoHS conform	Yes
