

KBN381

**Insulated busbar 35mm<sup>2</sup> 3P+N horizontal 90° angle for SPA180N**

**Technical Features**

**Dimensions**

Height	59 mm
Width	141 mm
Depth	5 mm

**Connectivity**

Mounting type	Snap-on mounting
---------------	------------------

**Use conditions**

Operating temperature	-40 - 85 °C
-----------------------	-------------

**Frequency**

Frequency	50 - 60 Hz
-----------	------------

**Voltage**

Max. continuous operating voltage U <sub>c</sub> DC IEC 61643	690 V
---	-------

**Safety**

Ingress Protection (IP) class	IP20
-------------------------------	------

**Sustainability**

Halogen free	Yes
REACH-SVHC free	Yes
RoHS conform	Yes
