

KBN381

Insulated busbar 35mm² 3P+N horizontal 90° angle for SPA180N

Technical Features

Dimensions

Height	59 mm
Width	141 mm
Depth	5 mm

Connectivity

Mounting type	Snap-on mounting
---------------	------------------

Use conditions

Operating temperature	-40 - 85 °C
-----------------------	-------------

Frequency

Frequency	50 - 60 Hz
-----------	------------

Voltage

Max. continuous operating voltage U _c DC IEC 61643	690 V
---	-------

Safety

Ingress Protection (IP) class	IP20
-------------------------------	------

Sustainability

Halogen free	Yes
REACH-SVHC free	Yes
RoHS conform	Yes
