

HWX043H

Additional auxiliary Switch low-level HW2/4 (AX)

Technical Features

Electric current

Rated current 230 V AC15	2 A
--------------------------	-----

Connectivity

Mounting type	Click mounting
---------------	----------------

Use conditions

Storage/transport temperature	-40 - 70 °C
-------------------------------	-------------

Power

Total power loss under IN	0 W
---------------------------	-----

Sustainability

REACH-SVHC free	Yes
RoHS conform	Yes
