

WMPB1/46

Single 46mm Deep Moulded Box

Technical Features

Dimensions

|            |                  |
|------------|------------------|
| Dimensions | 86.60 x 86.60 mm |
| Height     | 86.60 mm         |
| Width      | 86.60 mm         |
| Depth      | 50 mm            |

Connection

|                          |   |
|--------------------------|---|
| Number of conduit inlets | 1 |
|--------------------------|---|

Compatibility

|               |    |
|---------------|----|
| Can be joined | No |
|---------------|----|

Materials

|                |                   |
|----------------|-------------------|
| Material       | Urea formaldehyde |
| Colour         | White             |
| Surface finish | Glossy            |

Safety

|                               |      |
|-------------------------------|------|
| Ingress Protection (IP) class | IP20 |
|-------------------------------|------|

Sustainability

|                 |     |
|-----------------|-----|
| REACH-SVHC free | Yes |
| RoHS conform    | Yes |
