

HXF008H

Shunt trip Release h1600 110V DC

Technical Features

Power

Inrush power absorbed	1.44 VA
-----------------------	---------

Safety

Ingress Protection (IP) class	IP4X
-------------------------------	------

Voltage

Command voltage AC	0 - 0 V
Command voltage DC	110 - 110 V
Rated operational voltage Ue	0 - 0 V
Rated operational voltage in DC	110 - 110 V

Sustainability

REACH-SVHC free	Yes
RoHS conform	Yes
