1659901

Universal power booster Plus RMD, house electronics, light grey

Technical Features

Voltage

Nominal voltage	240 - 240 V

Materials

Colour	Light grey
Surface finish	Matt
Material	Thermoplastic

Installation, mounting

Mounting on	DIN rail

Texts

Type of connection	With screw terminals
Fuse	Short-circuit and overload-proof (electronic fuse)
Dimming principle	Phase cut-on or cut-off according to load type, self-learning

Sustainability

REACh-SVHC free	Yes
RoHS conform	Yes
