

GSETDM102LAN

**GMDM102 incl. centraalplaat en afdekraam, alulook**

**Technische eigenschappen**

**Materiaal**

|                       |           |
|-----------------------|-----------|
| Kleur                 | Aluminium |
| RAL-code              | 9006      |
| Afwerking oppervlakte | Mat       |

**Afmetingen**

|                            |                |
|----------------------------|----------------|
| Hoogte                     | 80 mm          |
| Diepte                     | 30 mm          |
| Afmetingen opening (b x h) | 14,8 x 19,9 mm |

**Aansluiting**

|                       |    |
|-----------------------|----|
| Type connector/steker | RJ |
|-----------------------|----|

**Compatibiliteit**

|                                    |                            |
|------------------------------------|----------------------------|
| Modulenaam voor data-aansluitingen | Keystone<br>Large Keystone |
|------------------------------------|----------------------------|

**Installatie, montage**

|                 |      |
|-----------------|------|
| Installatiehoek | 45 ° |
|-----------------|------|

**Duurzaamheid**

|              |    |
|--------------|----|
| RoHS conform | Ja |
|--------------|----|
