

458805

FCC/TAE soc. out. 8(6)pole/6 F + N cat.3, com-tech, black matt

Technical Features

Electric current

Rated current	1 A
---------------	-----

Voltage

Rated voltage	125 V
---------------	-------

Materials

Colour	Black
RAL code	9011
Surface finish	Matt

Dimensions

Height	70 mm
Width	70 mm
Depth	29 mm
Built-in depth	22 mm

Connectivity

Mounting type	Claw mounting
---------------	---------------

Equipment

With hinged lid	No
-----------------	----

Accessories

Has labelling field	No
---------------------	----

Safety

With enhanced contact protection	No
Ingress Protection (IP) class	IP20

Texts

Protection	No
Type of connection	With screw terminals
