

GSETMM3117035

Draagplaat 1V multimedia D-Size Flange 23,6, incl. cpl., lgr.

#### Technische eigenschappen

##### Materiaal

|                       |                                       |
|-----------------------|---------------------------------------|
| Kleur                 | Lichtgrijs                            |
| RAL-code              | 7035                                  |
| Afwerking oppervlakte | Mat                                   |
| Materiaal             | Acrylonitrile-Butadiene-Styrene (ABS) |

##### Afmetingen

|        |       |
|--------|-------|
| Hoogte | 71 mm |
| Diepte | 35 mm |

##### Aansluiting

|                       |         |
|-----------------------|---------|
| Type connector/steker | D-flens |
|-----------------------|---------|

##### Compatibiliteit

|  |          |
|--|----------|
|  | D-Flange |
|--|----------|

##### Installatie, montage

|  |      |
|--|------|
|  | 90 ° |
|--|------|

##### Duurzaamheid

|                 |    |
|-----------------|----|
| REACH-SVHC vrij | Ja |
| RoHS conform    | Ja |
