

HXC051H

Undervoltage release with delay h250-h630 24V DC

Technical Features

Power

Inrush power absorbed	0.53 VA
-----------------------	---------

Safety

Ingress Protection (IP) class	IP4X
-------------------------------	------

Voltage

Command voltage AC	0 - 0 V
--------------------	---------

Command voltage DC	24 - 24 V
--------------------	-----------

Functions

Delayed	Yes
---------	-----

Sustainability

REACH-SVHC free	Yes
-----------------	-----

RoHS conform	Yes
--------------	-----
