

75311008

Technical Features

Voltage

| | |
|----------------------------|-------------|
| Operating voltage over bus | 21 - 32 V |
| Auxiliary tension | 230 - 230 V |

Frequency

| | |
|-----------|------------|
| Frequency | 50 - 60 Hz |
|-----------|------------|

Use conditions

| | |
|-----------------------|------------|
| Operating temperature | -5 - 45 °C |
|-----------------------|------------|

Equipment

| | |
|-------------------|---|
| Number of outputs | 1 |
|-------------------|---|

Capacity

| | |
|-------------------|---|
| Number of modules | 4 |
|-------------------|---|

Power

| | |
|-------------------|------------|
| Power of variator | 20 - 500 W |
|-------------------|------------|

Connectivity

| | |
|---------------------------|----|
| With bus system KNX radio | No |
|---------------------------|----|

Settings

| | |
|------------------------------|-----|
| Supported configuration mode | ETS |
|------------------------------|-----|

Texts

| | |
|--------------------|--|
| Fuse | Short-circuit and overload-proof (electronic fuse) |
| Dimming principle | Operating with LED and energy-saving lamps according to appropriate ETS configuration Phase cut-on or cut-off according to load type, self-learning |
| Function | Operating hours meter as forward or backward counter per channel Stairway function with switch-off warning according to DIN 18015-2 |
| Type of connection | With screw terminals |

Sustainability

| | |
|-----------------|-----|
| REACH-SVHC free | Yes |
| RoHS conform | Yes |
