

SP936

### Decoupling coil 35A

#### Technical Features

##### Installation, mounting

Mounting on	DIN rail
Nominal tightening torque	5 - 5 Nm

##### Capacity

Number of modules	2
-------------------	---

##### Voltage

Rated operational voltage U <sub>e</sub>	500 - 500 V
--	-------------

##### Dimensions

Height	90 mm
Width	35 mm
Depth	64 mm

##### Use conditions

Operating temperature	-40 - 40 °C
-----------------------	-------------
