

3315417004

VGA soc. out., screw-in lift terminals, K.5, stainless steel matt, lacq.

### Technical Features

#### Connection

|                       |     |
|-----------------------|-----|
| Connector/plug type   | VGA |
| Number of connections | 1   |

#### Frequency

|                 |         |
|-----------------|---------|
| Frequency video | 160 MHz |
|-----------------|---------|

#### Materials

|                |                                     |
|----------------|-------------------------------------|
| Colour         | Stainless steel                     |
| RAL code       | 9022                                |
| Surface finish | Matt                                |
| Material       | Metal<br>Plastic<br>Stainless steel |
| Treatment      | Varnished                           |

#### Dimensions

|                                    |          |
|------------------------------------|----------|
| Height                             | 71 mm    |
| Width                              | 71 mm    |
| Depth                              | 23.50 mm |
| Built-in depth flush-mounted boxes | 13 mm    |

#### Connectivity

|               |                |
|---------------|----------------|
| Mounting type | Screw mounting |
|---------------|----------------|

#### Equipment

|                 |     |
|-----------------|-----|
| Shielded        | Yes |
| With dust cover | No  |

#### Safety

|                               |      |
|-------------------------------|------|
| Ingress Protection (IP) class | IP20 |
| Impact resistance IK          | IK05 |

#### Texts

|                                  |                         |
|----------------------------------|-------------------------|
| Outlet                           | With straight outlet    |
| Labelling                        | Without labelling field |
| Supporting plate/supporting ring | With supporting ring    |

#### Sustainability

|                 |     |
|-----------------|-----|
| REACH-SVHC free | Yes |
| RoHS conform    | Yes |
