

TYA628C

**Output device for 8 shutters or blinds 230V~**

**Technical Features**

**Settings**

|                              |     |
|------------------------------|-----|
| Supported configuration mode | ETS |
|------------------------------|-----|

**Connectivity**

|                           |    |
|---------------------------|----|
| With bus system KNX radio | No |
|---------------------------|----|

**Installation, mounting**

|             |          |
|-------------|----------|
| Mounting on | DIN rail |
|-------------|----------|

**Materials**

|        |            |
|--------|------------|
| Colour | Light grey |
|--------|------------|

**Equipment**

|                               |     |
|-------------------------------|-----|
| With switch for manual switch | Yes |
|-------------------------------|-----|

**Electric current**

|                        |     |
|------------------------|-----|
| Rated current          | 6 A |
| Max. switching current | 6 A |

**Voltage**

|                            |           |
|----------------------------|-----------|
| Operating voltage over bus | 21 - 32 V |
|----------------------------|-----------|

**Use conditions**

|                       |            |
|-----------------------|------------|
| Operating temperature | -5 - 45 °C |
|-----------------------|------------|

**Connection**

|                                  |                            |
|----------------------------------|----------------------------|
| Cross-section flexible conductor | 0.75 - 2.5 mm <sup>2</sup> |
| Cross-section rigid conductor    | 0.75 - 2.5 mm <sup>2</sup> |

**Capacity**

|                   |   |
|-------------------|---|
| Number of modules | 6 |
|-------------------|---|

**Texts**

|                    |                                                                                                                                         |
|--------------------|-----------------------------------------------------------------------------------------------------------------------------------------|
| Function           | With safety functions e.g. for wind, rain, alarm<br>With positioning function for blind and lamella position<br>With sun shade function |
| Type of connection | With quickconnect plug-in terminals                                                                                                     |
| Operating mode     | Operating mode can be set for roller shutter/awning                                                                                     |

**Sustainability**

|              |     |
|--------------|-----|
| RoHS conform | Yes |
|--------------|-----|
