

12033525

Aerial soc., 2hole hinged cover surf.-mtd, throughpass soc., W.1, grey matt

Technical Features

Connectivity

Mounting typeScrew mounting

Attenuation

Tap loss at 860 MHz10 dB

Through loss 860 MHz1 dB

Connection

Connector/plug typePass-through socket

Frequency

Frequency bandwidth4 - 862 MHz

Equipment

Number of outputs2

Materials

MaterialThermoplastic

ColourGrey

RAL code7011

Dimensions

Depth68 mm

Built-in depth flush-mounted boxes35 mm

Installation, mounting

Mounting onSurface mounting

Texts

Type of connectionWith screw terminals

Sustainability

REACH-SVHC freeYes

RoHS conformYes
