

TU444

2 x 4-channel KNX / remote control

Technical Features

Safety

Ingress Protection (IP) class	IP50
-------------------------------	------

Use conditions

Operating temperature	-10 - 70 °C
-----------------------	-------------

Dimensions

Height	83 mm
Width	46.50 mm
Depth	15.80 mm

Equipment

With battery	Yes
--------------	-----

Battery

Battery life	5 years
--------------	---------

Sustainability

RoHS conform	Yes
--------------	-----
