

TRE720

**Kit motion detector RF + 1 output receiver 10A KNX IP55**

**Technical Features**

**Dimensions**

|                     |         |
|---------------------|---------|
| Installation height | 4 - 4 m |
|---------------------|---------|

**Settings**

|                              |             |
|------------------------------|-------------|
| Supported configuration mode | ETS<br>easy |
| Minimal duty cycle           | 30 s        |

**Functions**

|                    |        |
|--------------------|--------|
| Maximal duty cycle | 15 min |
|--------------------|--------|

**Connectivity**

|                           |     |
|---------------------------|-----|
| With bus system KNX radio | Yes |
|---------------------------|-----|

**Scope of delivery**

|                         |     |
|-------------------------|-----|
| Bus connection included | Yes |
|-------------------------|-----|

**Lighting**

|                                |             |
|--------------------------------|-------------|
| Response brightness adjustable | 5 - 1000 lx |
|--------------------------------|-------------|

**Detection**

|                            |           |
|----------------------------|-----------|
| Detection angle horizontal | 220 - 220 |
|----------------------------|-----------|

**Use conditions**

|                       |            |
|-----------------------|------------|
| Operating temperature | -5 - 45 °C |
|-----------------------|------------|

**Materials**

|          |                                                             |
|----------|-------------------------------------------------------------|
| Material | Acrylonitrile-Butadiene-Styrene (ABS)<br>Polycarbonate (PC) |
|----------|-------------------------------------------------------------|

**Texts**

|          |                                                                                                                                                                                                                                                     |
|----------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Function | Switch-off pre-warning on dimmer inserts<br>With memory function for presence simulation<br>Teach function for response brightness via button<br>With keylock<br>Party function for switching on for 2 hours<br>Reset function (to factory setting) |
|----------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
