### Module 1 output for shutter/blind 10A IP55 KNX radio QL

#### Technical Features

##### Settings

Supported configuration mode	ETS easy
------------------------------	-------------

##### Connectivity

With bus system KNX radio	Yes
---------------------------	-----

##### Installation, mounting

Mounting on	Surface mounting
-------------	------------------

##### Materials

Colour	White
--------	-------

##### Equipment

With switch for manual switch	No
-------------------------------	----

##### Electric current

Rated current	10 A
Max. switching current	10 A

##### Use conditions

Operating temperature	-10 - 55 °C
-----------------------	-------------

##### Capacity

Number of modules	0
-------------------	---

##### Texts

Function	Easy additional functions: +6 scenes Repeat function can be activated to increase the radio range Reset function (to factory setting)
Type of connection	With screw-in lift terminals

##### Sustainability

RoHS conform	Yes
