

WKT510

Temperature controller with TFT display, KNX

Technical Features

Functions

Parallel service possible	No
With local operation	Yes

Materials

Colour	Black
--------	-------

Dimensions

Built-in depth flush-mounted boxes	30 mm
------------------------------------	-------

Safety

Impact resistance IK	IK04
Ingress Protection (IP) class	IP20

Suitable for

gallery	
---------	--

Sustainability

RoHS conform	Yes
--------------	-----
