

TG501A

**Mains powered smoke detector, white color**

**Technical Features**

**Connectivity**

Connectable Yes

**Power supply**

Supply voltage Mains/alkaline battery 9 V 6LR61

**Connectivity**

Radio connection optional No

**Equipment**

Sounder volume 85 dB

**Dimensions**

Diameter 125 mm

Height 48 mm

**Safety**

Ingress Protection (IP) class IP32

**Use conditions**

Operating temperature -10 - 55 °C
