

fuse switch disconnecter D02 1P+N 32A

Technical Features

Fuse

Fuse size	D02
-----------	-----

Architecture

Number of poles	2
-----------------	---

Electric current

Rated current	32 A
---------------	------

Installation, mounting

Mounting on	DIN rail
-------------	----------

Dimensions

Height	90 mm
--------	-------

Width	80 mm
-------	-------

Materials

Material	Plastic
