

WBMSLL

**Mechanism slave module with LED indicator**

**Technical Features**

**Frequency**

Frequency 50 - 50 Hz

**Materials**

Material Polycarbonate (PC)

**Dimensions**

Height 24 mm

**Use conditions**

Operating temperature 5 - 40 °C

**Capacity**

Number of modules 1

**Texts**

Installation mode RotoLoc®

Type of connection With screw terminals

Operation and control No Bluetooth interface

**Sustainability**

Halogen free Yes

REACH-SVHC free Yes

RoHS conform Yes
