

WNA041

cubyko 2-gg 2WSW +light composable in grey

Technical Features

Frequency

|           |            |
|-----------|------------|
| Frequency | 50 - 60 Hz |
|-----------|------------|

Materials

|                |                    |
|----------------|--------------------|
| Colour         | Grey               |
| RAL code       | 7011               |
| Surface finish | Satin finish       |
| Material       | Polypropylene (PP) |
| Treatment      | Varnished          |

Identification

|                      |                             |
|----------------------|-----------------------------|
| Assembly arrangement | Mechanism with upper casing |
|----------------------|-----------------------------|

Dimensions

|            |            |
|------------|------------|
| Dimensions | 75 x 75 mm |
|------------|------------|

Safety

|                               |      |
|-------------------------------|------|
| Ingress Protection (IP) class | IP55 |
| Impact resistance IK          | IK08 |

Architecture

|                           |               |
|---------------------------|---------------|
| Control/operation element | Double rocker |
|---------------------------|---------------|

Electric current

|               |      |
|---------------|------|
| Rated current | 10 A |
|---------------|------|

Connection

|                     |                 |
|---------------------|-----------------|
| Connector/plug type | Turn screw lock |
|---------------------|-----------------|

Sustainability

|                 |     |
|-----------------|-----|
| REACH-SVHC free | Yes |
| RoHS conform    | Yes |
