

WNC033

cubyko Emergency switch wall mounted grey IP55

Technical Features

Dimensions

Width	75 mm
Height	75 mm
Depth	64 mm

Safety

Ingress Protection (IP) class	IP55
-------------------------------	------

Voltage

Nominal voltage	250 - 250 V
-----------------	-------------

Use conditions

Operating temperature	-15 - 30 °C
-----------------------	-------------

Materials

Material	Polypropylene (PP)
Colour	Grey

Architecture

Control/operation element	Push & rotative switch
---------------------------	------------------------

Sustainability

Halogen free	Yes
REACH-SVHC free	Yes
RoHS conform	Yes
