

UC2060MDN

Kit for modular devices, quadro evo, 150x350

Technical Features

Dimensions

Height	150 mm
Width	350 mm
Depth	102 mm
Length	350 mm

Materials

Material	Steel
Treatment	Continuously galvanised

Capacity

Number of modules	10
-------------------	----

Installation, mounting

DIN rail perforated	Yes
---------------------	-----

Sustainability

RoHS conform	Yes
--------------	-----
