

UC2060MDN

Kit for modular devices, quadro evo, 200x600

Technical Features

Dimensions

Height	200 mm
Width	600 mm
Depth	102 mm
Length	600 mm

Materials

Material	Steel
Treatment	Continuously galvanised

Capacity

Number of modules	24
-------------------	----

Installation, mounting

DIN rail perforated	Yes
---------------------	-----

Sustainability

RoHS conform	Yes
--------------	-----
