

UC2060MDN

Kit for modular devices, quadro evo, 200x800

Technical Features

Dimensions

Height	200 mm
Width	800 mm
Depth	102 mm
Length	800 mm

Materials

Material	Steel
Treatment	Continuously galvanised

Capacity

Number of modules	36
-------------------	----

Installation, mounting

DIN rail perforated	Yes
---------------------	-----

Sustainability

Halogen free	Yes
RoHS conform	Yes
