

30753525

**Blind switch 1pole imprinted symbol arrow surface-mtd, W.1 ECO, grey matt**

**Technical Features**

**Materials**

Colour	Grey
RAL code	7011

**Controls and indicators**

Venetian blind switch type	1-pole switch
----------------------------	---------------

**Materials**

Surface finish	Matt
Contains recycled material (% of total plastic weight)	31.3 %
Material	Thermoplastic
Treatment	Untreated

**Voltage**

Rated voltage	250 V
---------------	-------

**Electric current**

Switching current	10 A
-------------------	------

**Safety**

Ingress Protection (IP) class	IP55
-------------------------------	------

**Use conditions**

Operating temperature	-25 - 35 °C
-----------------------	-------------

**Texts**

Switch mode	With mechanical and electrical interlock to prevent mutual switch-on
Type of connection	With plug-in terminals
Installation mode	For screw fastening

**Suitable for**

W.1	
-----	--

**Sustainability**

Halogen free	Yes
