

WNA032

IP55

SAF.EMERGENCY push-b. insert, NCcontact+NO contact surf./flush-mtd, W.1, grey m.

**Technical Features**

**Dimensions**

Width	75 mm
Height	75 mm
Depth	85 mm

**Safety**

Ingress Protection (IP) class	IP55
-------------------------------	------

**Voltage**

Nominal voltage	250 - 250 V
-----------------	-------------

**Electric current**

Switching current	10 A
-------------------	------

**Use conditions**

Operating temperature	-15 - 30 °C
-----------------------	-------------

**Materials**

Material	Polypropylene (PP)
Colour	Grey

**Architecture**

Control/operation element	Key
---------------------------	-----

**Sustainability**

Halogen free	Yes
REACH-SVHC free	Yes
RoHS conform	Yes
