

HWY002H

**Spreaders 4P HW1 (SP)**

**Technical Features**

**Electric current**

Rated current	1600 A
---------------	--------

**Architecture**

Number of poles	4
-----------------	---

Type of pole	4P
--------------	----

**Cable**

Cable material	Copper
----------------	--------

**Sustainability**

Halogen free	Yes
--------------	-----

RoHS conform	Yes
--------------	-----
